

## **Alison Thomas**

### **Finance Manager**

Alison is the Finance Manager for HSE Global and is based out of our Head Office in Kiama, New South Wales. She is responsible for providing financial support within the Australian, New Zealand and United States operations of HSE Global.

Alison has over 20-years' experience working in both large and small business including project administration in construction, high level administration in professional services and management accounting for trade businesses.

Before joining HSE Global, Alison worked in various accounting and administrative roles in areas including local government, construction, trade and professional services.

Alison is currently working towards Bachelor of Commerce with a double major in Accountancy and Management.

Alison spent her youth in Kiama and has lived in Port Hedland, Cairns and Sydney. She now resides in beautiful Berry, New South Wales and enjoys spending time with her three boys and family travelling, boating and gardening.
